Dial Conferencing Access Number is 1-866-258-0959

Dial Conferencing Room Number is *1770121*

Information Items:

1. Up-date on gtPathways Website (correct? Any errors found?)
2. Up-date on Statewide gtPathways Workshops (Fridays agreed; avoid 9/5/08-2+2);

TENTATIVE DATES/LOCATIONS:

Friday September 26, 2008/C. Spgs (instead of Pueblo, is that ok?); *Friday October 17, 2008/Greeley*. Please Note: these locations were agreed upon at our March 2008 GE 25 meeting.

3. Up-date on recalibration meetings for Articulation Agreements:
Engineering Articulation Meeting: **TENTATIVE DATE**: *Friday September 19, 2008, Time TBD, location: DHE*. Currently I have contacts for: CSU, CCCS, CU Sys, DO I NEED OTHERS?

Discussion Items:

- 1.) 2008 Faculty to Faculty Conference – in the spring we decided a hybrid advising/faculty conference would be a good idea. The conference will take place on Friday October 10, 2008 at the Sheraton DTC. I would like to hammer out a conference agenda/schedule and establish clarity regarding the morning portion of the schedule, (speakers, panels/panelists, etc.). I also want to identify the target audience/suggested invitees/attendees so that I can post the information as a link at the DHE website. REMINDER: Nish, Wayne and John volunteered to assist with planning. In addition to this discussion, I will schedule a follow-up planning meeting, (which will include advisors). To date, I've invited Stacey Hogan, FRCC-Larimer. I would appreciate additional advising suggestions from GE 25 membership.
- 2.) Transfer Guide (DRAFT #3) discussions. You will receive this information for your review by COB Thursday August 7, 2008.
