The 2024-25 CASFA will launch December 2023 to align with the Better FAFSA release. Please return in December 2023 to complete your 2024-25 CASFA application!

The Colorado Application for State Financial Aid (CASFA) is the State Financial Aid application for undocumented, Colorado ASSET students. The CASFA bridges equity gaps and creates access to postsecondary education for Colorado ASSET students.

Qualifying for ASSET (Advancing Students for a Stronger Economy Tomorrow):

The General Assembly passed [HB22-1155](#), in-state tuition classification for Colorado high school graduates.

The law requires an institution to classify a student as ASSET for tuition purposes if the student:

- Graduated from a Colorado high school or was physically present in Colorado for at least one year immediately preceding the date the student successfully completed a high school equivalency examination in Colorado; and
- Has been physically present in Colorado for at least 12 consecutive months prior to enrolling in an institution.
- There is no longer a requirement for the student to be admitted to college within 12 months of graduation.

Students who do not have lawful immigration status and who do not meet the ASSET qualifications are still encouraged to apply for institutional aid using the CASFA. Students who are eligible for Federal Title IV aid by completing the FAFSA should not complete the CASFA.

Student Unusual Circumstances Circunstancias inusuales del estudiante

¿Circunstancias inusuales impiden que el estudiante se comuniquen con sus padres o contactar a sus padres representaría un riesgo para el estudiante?

Yes; Sí

No

i This information will help us evaluate the student's ability to pay for school. A student may be experiencing unusual circumstances if they:

- Left home due to an abusive or threatening environment;
- Are abandoned by or estranged from their parents;
- Have refugee or asylee status and are separated from their parents, or their parents are displaced in a foreign country;
- Are a victim of human trafficking;
- Are incarcerated, or their parents are incarcerated, and contact with the parents would pose a risk to the student; or
- Are otherwise unable to contact or locate their parents, and have not been adopted.

If the student's circumstances resulted in their not having a safe, stable place to live, they may be considered a homeless youth and should review the answer to the question on the previous page about being unaccompanied and homeless.

- Se fue de casa debido a un ambiente abusivo o amenazante;

- De otra manera no pueden contactar o localizar a sus padres y no han sido adoptados.

Si las circunstancias del estudiante resultaron en que no tuviera un lugar seguro y estable para vivir, se le puede considerar un joven sin hogar y debe revisar la respuesta a la pregunta de la página anterior sobre no estar acompañado y sin hogar.

Non-U.S. citizens have a few ways to qualify for Colorado in-state tuition rates at public institutions and/or meet residency requirements for state financial aid programs at participating schools. One way is through Colorado ASSET (House Bill 22-1155).

To meet the conditions, students must:

- Have attended a Colorado high school for at least one year before graduation or was physically present in Colorado for at least one year immediately preceding the date the student successfully completed a high school equivalency examination in Colorado; **and**
- Have *been physically present* in Colorado for at least 12 consecutive months prior to enrolling in an institution.

Fuera de los EE. UU. los ciudadanos tienen algunas maneras de calificar para las tasas de matrícula estatal de Colorado en instituciones públicas y/o cumplir con los requisitos de residencia para los programas estatales de ayuda financiera en las escuelas participantes. Una forma es a través de Colorado ASSET (House Bill 22-1155).

Para cumplir con las condiciones, los estudiantes deben:

- Haber asistido a una escuela secundaria de Colorado durante al menos un año antes de graduarse o estuvo físicamente presente en Colorado durante al menos un año inmediatamente anterior a la fecha en que el estudiante completó con éxito un examen de equivalencia de escuela secundaria en Colorado; **y**
- Haber *estado físicamente presente* en Colorado durante al menos 12 meses consecutivos antes de inscribirse en una institución.

Please choose one of the following:

Seleccione una de las siguientes opciones:

- I certify that, by the time I begin college, I will have met the conditions above. Certifico que, para cuando comience la universidad, habré cumplido con las condiciones anteriores.
- I will not meet the eligibility requirements above by the time I begin my postsecondary experience. I want to learn other ways to qualify for in-state tuition and state financial aid. No cumpliré con los requisitos de elegibilidad anteriores cuando comience mi experiencia postsecundaria. Quiero aprender otras formas de calificar para la matrícula estatal y la ayuda financiera estatal.

In addition to residency requirements, state law requires you to certify lawful residency.

Además de los requisitos de residencia, la ley estatal requiere que certifique la residencia legal.

- I certify that I have applied for lawful presence in the U.S. OR I will apply for lawful presence in the U.S. as soon as I am able to do so. Certifico que he solicitado la presencia legal en los EE. UU. O solicitaré la presencia legal en los EE. UU. tan pronto como pueda hacerlo.

Tips and tricks for 2024-25 CASFA

- Students can edit their documents (forms) once the status is SATISFIED

The screenshot displays the CASFA application status dashboard. At the top, the user is identified as Ray Martin. The status summary shows: Needed (1), Submitted (0), Satisfied (1), and Unsatisfied (0). A 'Show All Documents' button is visible. The main content area is titled 'Documents' and includes a 'CASFA Application Status' section with a welcome message and a 'Show Full Info' link. Below this is the 'My Documents' section, which lists two applications:

Application Title	Award Year	Status	Action
Colorado Application for State Financial Aid 2023-2024	2023-2024 Federal Award Year	NOT STARTED	Review and Update
Colorado Application for State Financial Aid 2024-2025	2024-2025 Federal Award Year	SATISFIED	Review and Update

A red arrow points to the 'Review and Update' button for the 2024-2025 application, which is highlighted with a green 'SATISFIED' status label.

Tips and tricks for 2024-25 CASFA

- Students can edit their documents (forms) once the status is SATISFIED (continued)

The screenshot displays the 'Colorado Application for State Financial Aid 2024-2025' interface. At the top right, a green button indicates the status is 'SATISFIED', with a note 'Status as of 01/05/2024'. Below this, the 'Comment(s)' section shows 'Your calculated Student Aid Index for this year is -1500.' The 'Attachments' section lists two PDF files, both named 'Colorado Application for State Financial Aid 2024-2025.pdf', with sizes of 128 KB and 127 KB respectively. To the right of each attachment is a download icon. A large red arrow points from the top of the page down to a dark blue button labeled 'EDIT COMPLETED FORM' at the bottom center. A 'Close' button is located in the bottom right corner.

Tips and tricks for 2024-25 CASFA

- When students edit their document to add or delete a college, the student **is** required to electronically sign (esign) again, while the parent **is NOT** required to esign again.
- Students and parents must esign the CASFA. There is no paper version.
- Students can **SAVE** their progress on their CASFA form using the "Exit" button.

The screenshot displays the CASFA application interface. At the top, there is a dark blue header with the CASFA logo on the left and the user name 'Ray Martin' with a profile icon on the right. Below the header, the main content area is titled 'Colorado Application for State Financial Aid 2024-2025'. On the left side, there is a navigation menu with options: 'Dashboard', 'Documents' (with a red notification badge), and 'Useful Links'. The main content area is divided into a sidebar and a main panel. The sidebar lists 'Student Information', 'Student College or Career School Plans', 'Student Circumstances', and 'Student Family Information'. The main panel shows the 'Student Identity Information' section, which includes instructions in English and Spanish, and a form field for 'First name' with a red asterisk indicating it is required. A red arrow points to the 'Exit' button in the top right corner of the main panel.

Save function soon to say "Save and Exit"

Immigration Status-related Concerns

- The 2024-25 CASFA requires 2022 income tax information. If the student or parent does not have a Social Security number (SSN), they can apply for an Individual Taxpayer Identification Number (ITIN). The ITIN application process and annual tax filing is separate from federal immigration enforcement and is generally safe (<https://www.nilc.org/issues/taxes/itinfaq/>) for undocumented immigrants.

Is it safe to use an ITIN?

Generally, yes. The IRS has strong privacy protections in place to ensure that immigrants who report their income and file their taxes are not at risk of having their information shared. Under Internal Revenue Code section 6103, the IRS is generally prohibited from disclosing taxpayer information, including to other federal agencies. However, certain exceptions apply. For example, the IRS is required to disclose taxpayer information to certain U.S. Treasury Department employees when they request it for tax administration purposes or to other federal agencies if it's needed for a nontax criminal investigation and a federal court has ordered that it be provided.

Immigration Status-related Concerns (cont)

- The CASFA currently uses the language "DACA number", which is merely a colloquial term because a formal "DACA number" doesn't exist. If a student has DACA , they can apply for an Employment Authorization Document (EAD), or work permit, and with their EAD then can apply for an SSN.
 - If a student has DACA, they enter their SSN into the CASFA.

Troubleshooting Tips

Accuracy with names, date of birth, email address, etc.

- Students should use their full legal name to create their CASFA account and complete individual aid year forms/documents.
- Students should use extreme care to enter their personal information accurately the first time.
- Students without a Social Security number leave the field blank.

Creating an Account

- Students should use their personal email, not their high school or college email, to ensure they have continued access to their CASFA application throughout their post-secondary education. Students cannot make changes to their user profile once the account has been created.
- Account creation email validation messages may end up in SPAM folders. Please encourage students and families to check there.

Ensure applicant enters parent information accurately.

- Parents without a SSN or ITIN enter 000000000

Troubleshooting Tips

Menu along lefthand side of form/document can be used to determine which sections are complete and which need to be completed.

Skip logic technology generates information based on applicant responses.

The screenshot shows a mobile application interface for CASFA. At the top, there are logos for the organization and the text 'CASFA'. Below this is a navigation menu with three items: 'Dashboard', 'Documents' (with a red notification badge showing the number '2'), and 'Useful Links'. To the right of the menu is a list of sections, each with a checkmark icon. The sections are: 'Student Information', 'Student College or Career School Plans', 'Student Circumstances', 'Student Family Information' (highlighted in dark blue), 'Student Financial Information', 'Student School List', 'Parent Information', 'Parent Financial Information', and 'Additional Questions'. A red arrow points from the text 'Dependent student will provide "parent" information' to the 'Parent Financial Information' section.

Dependent student will provide "parent" information

Troubleshooting Tips

NOTE: Most of the inquiries I receive about CASFA problems revolve around the parent signature process. Please support your students and families in following the instructions on the CASFA portal and form/document.

- Parent email invitation may end up in SPAM folder. Please encourage families to check there.

Troubleshooting Tips

If a parent clicks the link in their email invitation and the CASFA takes them to this sign in page, their email address is already linked to a CASFA account (hopefully a parent account and NOT a student account).

Enter email and password and click Sign In if parent knows their credentials.

If not, click Reset your Password and use the email address from the parent email invitation.
