1st Biennial Colorado Summit on Sexual Misconduct

WE WELCOME

Stakeholders; advocates; students, faculty, staff of higher education and K-12; policy makers; state representatives; and other interested persons and organizations.

PURPOSE

To facilitate communication, share information, and hear from experts in order to promote awareness and prevention of sexual misconduct on Colorado's college campuses.

The Colorado Department of Higher Education (CDHE) shall host biennial summits on sexual misconduct on college campuses pursuant to Senate Bill 19-007. CDHE convened a planning committee composed of representatives from public and private colleges and universities, advocacy organizations, students, survivors, and community partners across Colorado.
