

You can earn college credit for the CLEP exams listed in this table on which you score a 50 or higher. The credit is guaranteed to transfer but it is **not guaranteed to apply to degree requirements**. See the end of this document for more information on:

- GT Pathways general education requirements and limitations.
- Degrees with different GT Pathways requirements.
- Who to contact if you have a question.
- How credit for CLEP applies to GT Pathways.

**How to read this table:** The different CLEP exams are listed in the furthest left-hand column, along with the GT Pathways content category satisfied by the exam. Next going right is the minimum exam score required to receive credit. In some cases, a higher exam score may result in more credit awarded (consult with individual colleges and universities for more information). The colleges and universities and the credit they award are listed in the next columns. For example:

CLEP Exam	Score	Aims CC*	CCCS*	CMC*	ASU	CMU	CSU	CSU – Global	CSU – Pueblo	FLC	MSU Denver	UCB	UCCS	UCD	UNC	WCU
<b>American Government</b> <a href="#">GT-SS1</a> (GT Pathways content category satisfied by this exam)	<b>50</b> (minimum exam score)	PSC 111/1011 (course or courses you get credit for) (3) (credit hours)														

### College & University Abbreviations:

- **Aims CC\*** = Aims Community College, Greeley
- **CCCS\*** = Colorado Community College System
- **CMC\*** = Colorado Mountain College (11 locations)
- **ASU** = Adams State University, Alamosa
- **CMU** = Colorado Mesa University, Grand Junction
- **CSU** = Colorado State University, Ft. Collins
- **CSU-Global** = Colorado State University – Global Campus (online)
- **CSU-Pueblo** = Colorado State University – Pueblo
- **FLC** = Fort Lewis College, Durango
- **MSU Denver** = Metropolitan State University of Denver
- **UCB** = University of Colorado – Boulder
- **UCCS** = University of Colorado – Colorado Springs
- **UCD** = University of Colorado – Denver
- **UNC** = University of Northern Colorado, Greeley
- **WCU** = Western Colorado University, Gunnison

\*CCCS includes Arapahoe CC; Colorado Northwestern CC; CC of Aurora; CC of Denver; Front Range CC; Lamar CC; Morgan CC; Northeastern Junior College; Otero College; Pikes Peak SC; Pueblo CC; Red Rocks CC; Trinidad State College; and Colorado Community College Online.

\*Aims Community College and Colorado Mountain College also offer the courses listed under CCCS.

**Effective Summer 2022, all CCCS course numbers are 4-digits. This guide has been updated to reflect both the original 3-digit and new 4-digit course numbers.**

## College Level Examination Program (CLEP) Exam GT Pathways Credit Awards at Colorado Public Colleges & Universities

### Exams in History & in the Social and Behavioral Sciences

**More Information:**

- [GT Pathways general education requirements.](#)
- [List of degrees with different GT Pathways requirements.](#) Some degrees (like many engineering, computer science, nursing, and other degrees) do not contain the full GT Pathways curriculum, and some CLEP exam credits may not apply.
- Red text means the institution has not provided updated information. The table will be updated once the information has been received by institutions. Students should consult with an academic advisor at their chosen institution for additional information.
- How credit for CLEP applies to GT Pathways:
  - The credit awards in this table are effective starting May 4, 2018, when the revised [Prior Learning Assessment policy](#) was approved by the Colorado Commission on Higher Education (CCHHE).
  - Students should consult with academic advisors on how credit for CLEP can meet degree requirements.
  - Colleges & universities may award credit for other CLEP exams that are not listed here (check with the college or university).
  - CLEP exams taken more than 10 years ago may not be eligible for credit.
  - At least 3 credit hours shall apply first to the appropriate GT Pathways content area until the amount of credit has been met for that GT Pathways content area. Once a GT Pathways content area requirement has been met, any additional credit in that content area may be awarded to fulfill other degree requirements, such as general education, prerequisite, major, or elective credit. For example, the GT Pathways mathematics requirement is 3 credits. If a student brings passing cut scores on two different math exams (such as College Algebra and Calculus), then the student shall receive 3 credits applied towards the GT Pathways mathematics requirement. Any additional credits may be awarded to fulfill other degree requirements, such as general education, elective, or major/prerequisite credit, at the institution’s discretion.
  - Colleges and universities determine the amount of credit to award for CLEP scores above 50 (not including World Languages), but they must award at least 3 credits (or at least 4 credits for the Calculus exam, and for exams in the GT-SC2 content area, which is science courses without labs). Credit awarded shall be transcribed as a course satisfying the appropriate GT Pathways category at the institution. When there is no equivalent, the institution shall create a generic transfer equivalency for a course in that GT Pathways content area (i.e., GT-AH1, GT-AH2, etc.). Some generic transfer equivalencies are marked as “1XX” or “2XX.” Please work with your intended college or university to determine how your CLEP exam credit will transfer.
  - Course equivalencies for Biology, Chemistry and Natural Sciences exams are TBD.
- Note that any printed (hardcopy) version of this document could be out of date. For the most recent version, visit our [website](#).
- Questions may be directed to the appropriate institution or to the Office of Academic Affairs at the Colorado Department of Higher Education, 1600 Broadway Suite 2200, Denver, CO 80202 or 303-862-3001.
