WHAT IS THE COLORADO EDUCATOR LOAN FORGIVENESS PROGRAM?

In 2019, Colorado legislators passed Senate Bill 19-003 to address Colorado's educator shortages by providing loan forgiveness to educators. The law authorizes CDHE to offer loan repayment assistance on qualified loans for educators, mainly for those who serve in rural and hard-to-fill positions in Colorado.

Those that qualify are eligible to receive up to \$5,000 in loan forgiveness for a given year. The program is currently funded for five years. For those individuals that continue to qualify, they may apply every year of the program for up to \$5,000 in loan forgiveness annually. With limited funds available, not every educator who applies will receive loan forgiveness.

HISTORY OF THE PROGRAM

In 2019-2020 CDHE launched the first application cycle and after receiving applications had funding paused as state budgets were impacted by the COVID19 pandemic which resulted in no loan forgiveness awards for that cycle.

CURRENT PROGRAM

The 2023 -2024 year will be the third year the program identifies qualified applicants for loan forgiveness and distributes funds. We are partnering with [Tuition.io](https://www.tuition.io) to offer a user-friendly online application.
